Q11. [Subject: Polity] [Microtheme: Union Services] [Nano Theme: All India Services] [Difficulty: Moderate]

Consider the following statements about the creation of a new All India Service:

1. It requires a Rajya Sabha resolution.
2. The resolution needs two-thirds of total membership.

Which of the statements given above is/are correct?

(A) Only 2
(B) Neither 1 nor 2
(C) Both 1 and 2
(D) Only 1

Answer: (D)

Solution:

- Filler explanation line 1 describing Article 312 procedure in detail for padding.
- Filler explanation line 2 describing Article 312 procedure in detail for padding.
- Filler explanation line 3 describing Article 312 procedure in detail for padding.
- Filler explanation line 4 describing Article 312 procedure in detail for padding.
- Filler explanation line 5 describing Article 312 procedure in detail for padding.
- Filler explanation line 6 describing Article 312 procedure in detail for padding.
- Filler explanation line 7 describing Article 312 procedure in detail for padding.
- Filler explanation line 8 describing Article 312 procedure in detail for padding.
- Filler explanation line 9 describing Article 312 procedure in detail for padding.
- Filler explanation line 10 describing Article 312 procedure in detail for padding.
- Filler explanation line 11 describing Article 312 procedure in detail for padding.
- Filler explanation line 12 describing Article 312 procedure in detail for padding.
- Filler explanation line 13 describing Article 312 procedure in detail for padding.
- Filler explanation line 14 describing Article 312 procedure in detail for padding.
- Filler explanation line 15 describing Article 312 procedure in detail for padding.
- Filler explanation line 16 describing Article 312 procedure in detail for padding.
- Filler explanation line 17 describing Article 312 procedure in detail for padding.
- Filler explanation line 18 describing Article 312 procedure in detail for padding.
- Filler explanation line 19 describing Article 312 procedure in detail for padding.

- Filler explanation line 29 describing Article 312 procedure in detail for padding.

Q12. [Subject: Arts & Culture] [Microtheme: Bhakti and Sufi Movements] [Nano Theme: Bhakti Movement Saints] [Difficulty: Easy]

Match List I with List II and select the correct answer using the code given below the lists.

List-I (Disciple)	List-II (Guru)
A. Kabir	1. Guru Nanak Dev
B. Amir Khusrau	2. Swami Ramananda
C. Surdas	3. Nizamuddin Auliya
D. Mardana	4. Vallabhacharya

Code:
A B C D

(A) 3 2 4 1
(B) 3 2 1 4
(C) 2 3 4 1
(D) 2 3 1 4

Answer: (C)

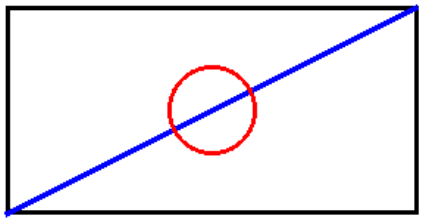

Solution:

- Kabir — disciple of Swami Ramananda (Varanasi), by tradition.
- Amir Khusrau — disciple (murid) of the Chishti saint Nizamuddin Auliya of Delhi.
- Surdas — associated with Vallabhacharya's Pushtimarg; one of the Ashtachhap poets.
- Mardana — Muslim rebab player and lifelong companion of Guru Nanak Dev.
- Code: A-2, B-3, C-4, D-1.

Reverse Logic Box — why the other options are wrong
(A) 3 2 4 1 — Makes Kabir a disciple of Nizamuddin Auliya and Khusrau of Ramananda — a straight swap of the two Varanasi/Delhi gurus. Trap: associating Kabir's Muslim background with a Sufi guru.
(B) 3 2 1 4 — Same Kabir–Khusrau swap, and also pairs Surdas with Guru Nanak and Mardana with Vallabhacharya. Trap: forgetting that Mardana is Nanak's best-known companion.
(D) 2 3 1 4 — Gets Kabir and Khusrau right but swaps Surdas and Mardana. Trap: Surdas's Krishna bhakti belongs to Vallabha's Pushtimarg, not the Sikh tradition.

Q13. [Subject: Geography] [Microtheme: Maps] [Nano Theme: Diagrams] [Difficulty: Easy]

Study the following diagram and answer the question.

Which shape is drawn inside the rectangle?

(A) Circle
(B) Square
(C) Triangle
(D) Star

Answer: (A)

Solution:

- A red circle is drawn at the centre.
